# Gawtham Rajalingam Nadar

Senior Full Stack Software Developer with 7+ years of experience designing, developing, and deploying scalable web applications, REST APIs, and end-to-end solutions using modern frontend, backend, and cloud technologies.

**Portfolio :** <http://gn-portfolio.com/>

## Experience

### March 2022 - Present

Ernst and Young LLP, Mumbai

#### Senior Technology Consultant

Client : HSBC (Wholesale IT - Banking Sector)

- Designed, developed, and maintained secure, scalable banking web applications using **ReactJS**, modern **JavaScript (ES6+)**, and **TypeScript**
- Collaborated with product owners, UX designers, and backend teams to translate complex banking requirements into intuitive user interfaces.
- Integrated front-end applications with secure **REST APIs**, ensuring data integrity, authentication, and error handling aligned with banking standards.
- Optimized application performance through code splitting,, memoization, and efficient state management (**Redux / Context API**).
- Wrote unit and integration tests using **Jest** and **React Testing Library**, improving code quality and reducing regression issues.
- Actively used **GitHub Copilot** to accelerate development, generate boilerplate code, improve test coverage, and enhance overall developer productivity.
- Conducted code reviews, enforced coding standards, and mentored junior engineers to maintain high-quality deliverables.
- Worked in **Agile/Scrum** environments, contributing to sprint planning, estimations, and timely feature delivery.

### May 2019 - February 2022

AQM Technologies PVT LTD, Mumbai

#### Software Developer

- Built and deployed 3 in-house web applications from scratch using **ReactJS**, **HTML5**, **JQuery**, **CSS3** and **Node.js**.
- Designed **REST APIs** and integrated frontend with backend services.
- Implemented **HR-focused** features including document management, employee data handling, and workflow automation.
- Collaborated with HR stakeholders to deliver business-ready solutions.

### March 2019 - May 2019

ETI Infosystem, Mumbai

#### Intern - Junior Software Developer

### July 2018 - October 2018
